Kicking the Year Off with Action!

TONIGHT IN SUPPORT OF HOUSING!

Affordable housing will be discussed in the upcoming Charleston County Council meetings. We want to make sure we are at every council meeting with testimonies until the affordable housing trust fund is funded! Join us tonight for the Charleston County Council meeting! We will meet at 5:45 PM outside the Lonnie Hamilton Building (4045 Bridge View Drive). There is a special finance committee meeting at 6:00 PM to discuss ARPA funds and affordable housing. We want to be present for this discussion. Have you shared your housing testimony yet at County Council? Everyone has a testimony! ***Please sign up [here](#) to let us know what upcoming County Council meetings you can attend*** and when you are willing to share your testimony (Treva is willing to help craft your story with just a quick phone call! You just have to be willing to speak!)

IN SUPPORT OF RACIAL EQUITY!

On January 25th, Charleston City Council will be voting on the formation of the Human Affairs and Racial Conciliation Standing Committee. This

committee will work to bring equity to the city of Charleston. Many of CAJM's best practices are supported in the report from which this committee will work. **Please click [here](#) to sign up to attend, speak or participate online.**

IN SUPPORT OF RESTORATIVE PRACTICES IN EDUCATION!

Join us for the following research visits and full committee meeting to learn more about Restorative Practices, how these practices can transform our schools and how to press our school district to implement district wide!

IN SUPPORT OF HEALTHCARE!

At our healthcare full committee meeting we voted to move forward with a press conference and action on Monday, January 31 at 12:30 at Canon Park.

The focus of the press conference will be  raising the heat on MUSC  as they are choosing not to honor the commitment they made to us last summer. The press conference will also be the launch of a public art display outside of several of our congregations that highlights our campaign and MUSC's failure to act.

Please make every effort to attend this press conference, and please invite your network members, fellow congregants, and friends. Wear blue if you are able. We already have 45 people confirmed to attend. Let's make it 100! Sign up [here](#) to

participate!
