## CAJM Rally FAQs

---

### When and where is the Rally?

The Rally is on Monday, February 27 at 7:00pm at Mt. Moriah Missionary Baptist Church (7396 Rivers Ave, North Charleston). We will be in Mt. Moriah's chapel. The chapel entrance is in the building to the right of the main entrance. We will have signs up to direct you so that you know where to go.

---

### I've never been to the Rally. Can you tell me about the event?

The Rally is one of our four, annual organization-wide events. At the Rally, you will hear testimonies and important updates from our five active campaigns: education, environmental justice, healthcare, housing, and policing. Each campaign will also report on what they are asking for at the upcoming Nehemiah Action Assembly and introduce

their negotiators for the Action.

You will also spend part of the evening in a caucus with your congregation or affiliate organization. In the caucus, leaders from your congregation or organization will ask you to report on how many people you have confirmed for the Nehemiah Action to help us plan for the event. They will also hand out Nehemiah Action tickets.

## Can I volunteer to help out at the Rally?

**YES!** We need volunteers to make the night run smoothly. We'll be asking volunteers to arrive at 6:00pm. There are number of volunteer roles, and we can accommodate volunteers who need to be seated or have limited mobility.

## Will there be childcare?

**YES**, there will be **FREE** childcare at the Rally! Bring your kids! If you're planning to use our childcare, please let us know at the link below. You **CAN** still bring your kids if you don't sign up, but if you are able to let us know in advance it will help with our preparations.

# **I don't have a ticket. Is that a problem?**

If you weren't able to get a ticket from your Team Leader, or if you've lost your ticket, no worries! We will have extras for you to fill out at the door.

If you DO have a ticket, please fill it out in advance and bring it with you. If you have a ticket, you'll be able to drop it in a ticket-collection bucket and head straight to your seat. This will help everyone get seated more efficiently.
