## Rally Recap!

Last Monday, we had our Rally at Mt. Moriah Missionary Baptist Church. We had about 350 of our Network Members join us in person, and over 150 join us virtually! We heard powerful testimonies about the problems our city is facing in **education, housing, healthcare,** and **flooding**, and the solutions our research committees have decided will move us closer to being a community *where justice and equity prevail*. We were introduced to our negotiators for the Action and learned about what we can expect at the Action!

Now, we continue working to get our **THREE** people to bring with us to the Nehemiah Action on April 4th to **SEE** what can happen when 2,700 people come together to demand justice for their city.
