

2016 CAJM Rally

40 Days of Prayer in Preparation for the Nehemiah Action

Creator of everything, you hear all our cries. We cry out in fear, in pain, in mourning. We fear those we should trust. We are hurt by those we expect to protect. And we mourn because justice has been denied for too long. We pray that you guide us as we work to create the city you intended, a city where justice rolls down like a mighty stream. A city where we truly love our neighbors as ourselves, building a community of compassion and empathy. One where when we cannot walk in each other's shoes, we walk side by side, following in Your footsteps. Those paths have too long been fraught with barriers and dead ends. We pray those with the power to fix these paths come on April 24th to walk with us and use their power to change these paths into ones everyone can walk upon with no fear. And we pray that we use our power of presence to ensure they do. We pray that path leads closer to the city of Justice You intended, in your many Holy Names,

Amen!
