Hey CAJAMMR's,

**DO RIGHT,  
RIGHT NOW**

It's been 3 weeks since our Nehemiah Action. We are so proud of all of the hard work it took to achieve the success of 1500 people filling the District 4 stadium! That's no easy task. That's something to celebrate! We are definitely planning a spectacular celebration on May 16th at the Hanahan Amphitheater Located at 3100 Mabeline Road at 6:30 PM.

We are looking forward to our last event of the season. We have planned an evening that is packed with food, fun, and excitement! No need to register again if you registered previously for the Nehemiah Action.

What happens after the Action?

Many of us are probably wondering what are next steps after the Nehemiah Action event.

Well, the celebration of course!

We want to take the time to appreciate, celebrate, and understand our community wins. But what's beyond the celebration is a vital part of our process. It's where the bulk of our work truly lies. Now is the time that we use our people power in a different way.

Our work doesn't stop after the Action. Now it is time to use the same power and influence to hold officials to their word of doing right! Now our role has morphed into accountability partners for justice. Take a look below and sign up to attend some of the meetings to continue to provide the accountability necessary to save Gadsden creek, build affordable housing, provide primary healthcare and better education!
