* Community Problems Assembly *

**Monday, November 5, 2018
7:00 - 9:00 PM
Morris Brown AME Church
13 Morris Street, Charleston**

~ Free childcare ~

One of the most meaningful events of the year. ~600 people will gather to hear reports on the police audit work, the wage recovery program and our important work happening in the Charleston County School District to lower suspensions and arrests.

We will also hear testimonies around the problems of Crime and Violence, Education, and Transportation and then we will caucus and vote for the problem we want to work on together this year.

All are welcome to the event on Monday. To be a voting member in CAJM, one must be willing to be a network member by participating in the full year of work which includes attending the 4 large assemblies and bringing 3 with you to the Nehemiah Action. If you are not affiliated with a member congregation, let us know and we will connect you with a great Team Leader who will help you become engaged.

Help spread the word!
