Thanks to all who came out to last night's Rally!

We had a packed house last night for our Rally as we got ready for our annual Nehemiah Action Assembly on March 20!

An especially big **THANK YOU** to all of our volunteers who helped to make the night happen.

Did you miss the event?

Last night, we heard updates and testimonies from our five active campaigns: education, healthcare, housing, environmental justice, and

policing. Each campaign also provided us with an outline of what they would be asking for at the Action, which public officials they will be targeting with their asks, and who their negotiators will be. All of this is laid out in our handy-dandy negotiation guide, which you can access in our Rally packet at the link below.

We also had three **IMPORTANT** and **TIMELY** calls to action! Please check out the Rally packet at the link below to see the calls to action and participate, even if you weren't able to attend last night!

Can you volunteer at the Action?

We are going to need LOTS of volunteers to ensure that the Nehemiah Action runs smoothly. If you're able to volunteer, please let us know by filling out the form at the link below.
